Institutional profile

Community-led inclusion, education and opportunity

London For You is the public-facing brand of Centro Hispano CIC (company number 15333057), incorporated on 6 December 2023 in England and Wales. Community work began in 2016 as the unregistered Hispanos UK association; from 2019 to incorporation in 2023, community activity continued without a formal organisational name. Since 2026 we work from Seven Sisters Market in Tottenham, alongside the Pueblito Paisa Community Centre.

Our strategic priorities

Education: language learning, practical skills and access to higher education. **Psychosocial support:** community cohesion, family support and wellbeing. **Entrepreneurship:** practical business skills and economic inclusion. **Legal support:** information, signposting and access to appropriate specialist services.

Evidence-led approach

Research undertaken with Hispanos UK and Citizens UK surveyed more than 2,000 people and included interviews with staff from six consulates. Community needs inform programme design, partnerships, delivery and proposed evaluation.
